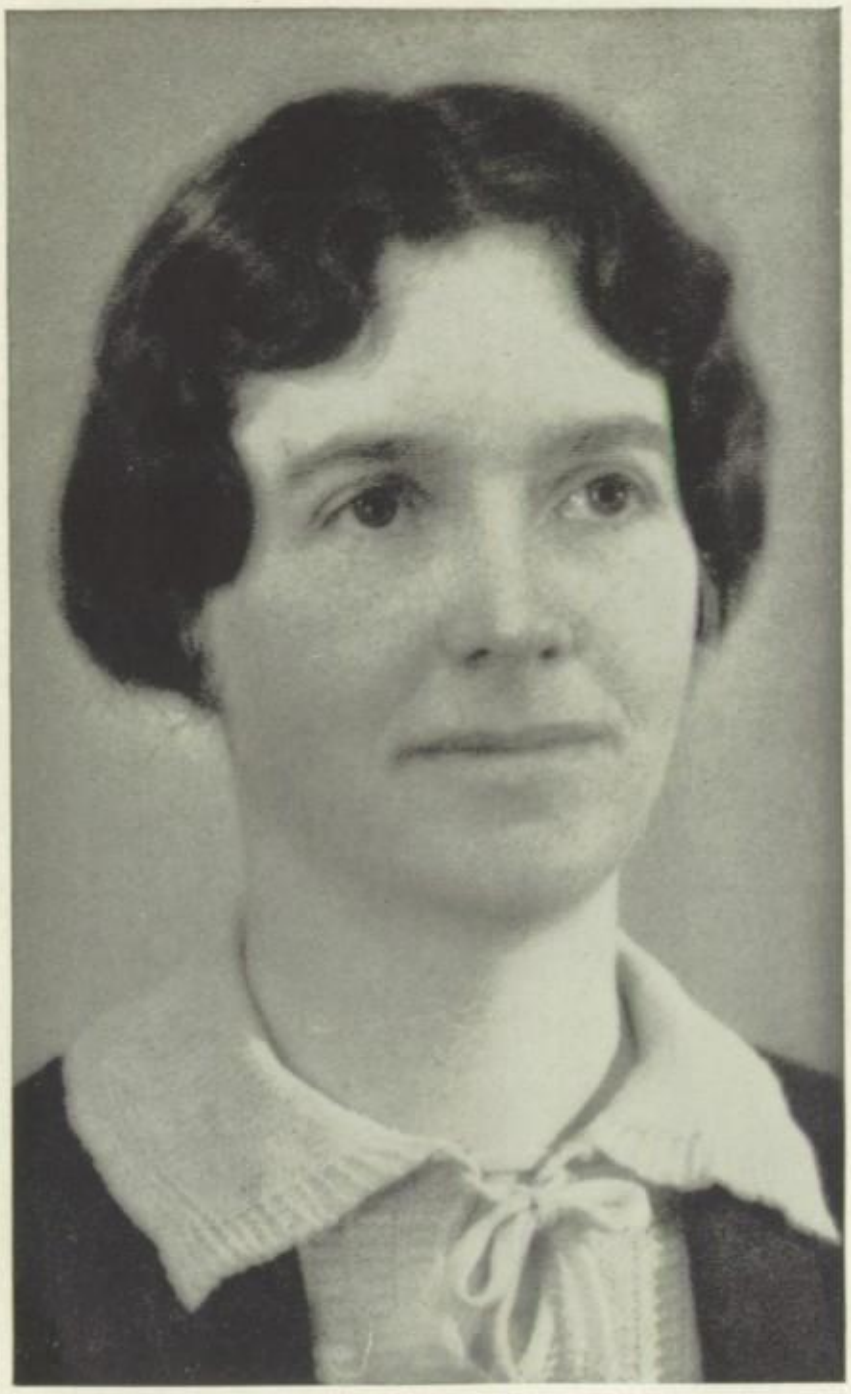
The 1936 Batavian

Published by
The Senior Class
of
Batavia Junior-Senior High School

Foreword

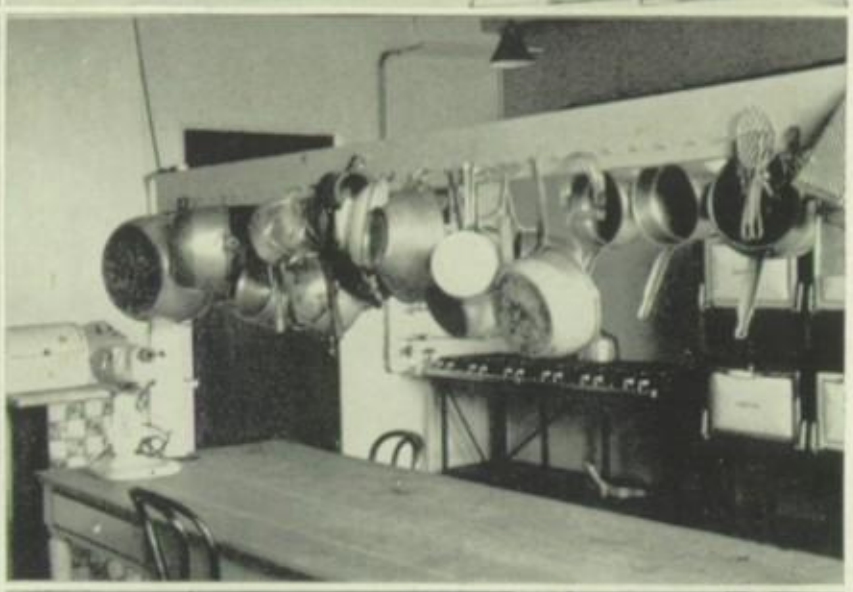
The staff has tried to preserve in the 1936 Batavian a chronicle of school activities which stand out in our memories.

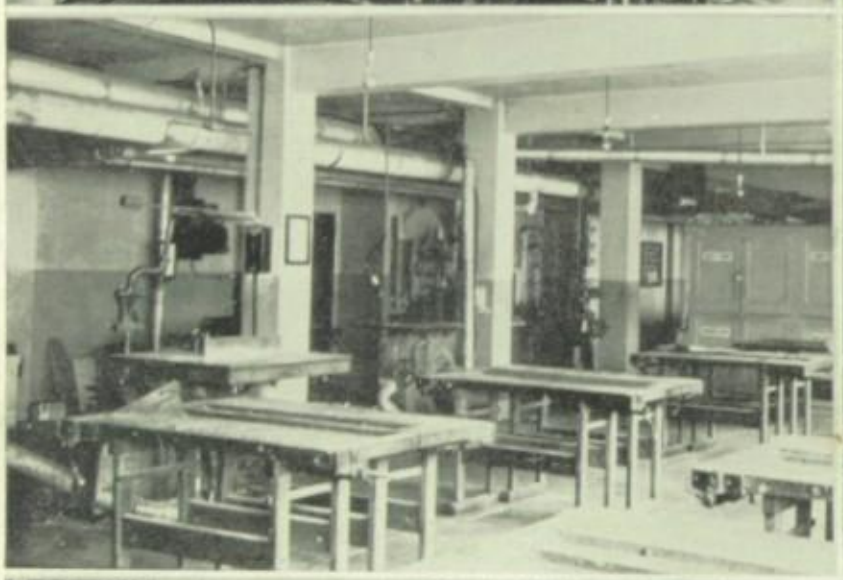
All we ask is that each person of B. H. S. retain in his bookshelf of memories the Batavian of 1936.



Dedication

In loving memory of Regina Follett whose unselfish devotion to duty and interest in guidance of youth we shall never forget.





Art room, Library. Cafeteria, Kitchen. Workshop, Chem. Laboratory. School bus, Front of school.

THE BLUE AND WHITE

Our school has always favored
That rich and glossy blue
Which with white in combination
Is beautiful and true,
They are always floating gaily
And never out of sight;
While in unison we're singing
Long live the Blue and White.

We will ever praise our High School
Which in Batavia stands;
"Individual Instruction"
Known now throughout all lands,
And its faithful corps of teachers
Their duties never slight
For they know that they are working
For the Blue and the White.

We recall athletic victories
On many a day before;
How we captured prize and trophy
But still we wish for more,
But we're sure that we'll not falter
As we renew the fight,
Just because we're marching onward
'Neath the Blue and the White.

By Leslie Coryell, '01.

G. O. Council

President ..... Willis Shaw
Vice President ..... Jeanne Malis
Secretary ..... Miss Gehring

On September 25, 1935 the student body held the annual elections for presidency and vice presidency of the G. O. Those candidates for President were Willis Shaw, Daniel Martin and Richard Smith. Candidates for Vice President were Jeanne Malis, Elsie Ware and Elaine Strouts. As a result of the elections, Willis Shaw and Jeanne Malis became our new officers.

On September 27, 1935, Willis Shaw launched the first General Organization Council Meeting for the year. Home room discussions were sponsored by our G. O. Representatives this year during Junior High Assembly in order to give the student body participation in our council.

Because of "hobby periods" the G. O. found it necessary to revise the point system and the granting of service awards. A special committee decided to lower the required points to fifteen. We are hoping that this new system will be as efficient as the old one.

The council also has established and sponsored successfully the Smoking Council, Moving-Up-Day, Point System Awards, and Ticket Activity Plan.

Senior Ball

On the eve of April 17, "the two", in formal attire, arrived and checked their wraps. The inviting music of Joe Noble's University Revelers floated to their ears and urged them to join the other gay couples in the ballroom. As they hastily entered, a gasp of atonishment escaped their lips. Gaping about them, "the two" stepped into a waltz. They danced by cliffs of yellow and brown, projecting rocks of purple, walls of green and brown, and an underground lake of deep blue. Overhead was a roof of orange and blue. They were in an underground cavern. All seemed like the "Isle of Capri" to "the two".

With the advice and assistance of Miss Hunn, the decoration theme of Leon Arras, and the following chairmen and their committees, the annual Senior Ball was a huge success:

General Chairman	Ronald Martin
Decorations	Leon Arras
Music	Lamond Brownell
Publicity	Burrell Leffel
Invitations	Jane Tobias
Refreshments	Eileen Hackett
Tickets	Norman Huber
Checkroom	Dominic Irrera
Cleanup	Daniel Martin

Senior Banquet

At seven o'clock on November 22, a large crowd of seniors gathered at the high schoool for the annual Senior Banquet. The banquet was a huge success due to the competent management of Daniel Martin as general chairman. With the use of clever rhymes, the toastmistress, Jeanne Malis, introduced the entertainers. Winifred Legg foretold the pending future. Many were surprised when called upon to answer the radio questionnaire sponsored by Margaret Gouinlock and Kay Valintcourt. Wilson Mark, Class President, urged the seniors to rally to the support of the class activities. Other speakers on the program were Mr. Nott, principal speaker, Miss Hunn, Mr. Wells, and Mr. Weber.

After the banquet we invited the P. G.'s. and the Juniors to share with us the rhythm of the "Night Hawks".

The following chairmen with the aid of committees made our banquet an outstanding social event:

General Chairman	Daniel Martin
Food	Elsie Ware
Program	Anne Welch
Promotion	Richard Smith
Tickets	Ronald Martin
Decorations	Louis Kustas
Checkroom	Rita Crehan

Here fellow students, is a typical scene at one of our recent basketball games.

Over at the left we find three studious boys having a very technical discussion of pipe organs, ..., ..., ... The gentleman on the left seems to be holding the book, or floor, or something. Below them we see two piquant misses ....., ...

One's thoroughly enjoying the game while the other's attention is drawn by the dramatic fellow on the left, who, by the way, happens to be one of our more prominent cheerleaders, ... He's either telling about the big one that got away or by how much Batavia's going to win.

The girl above them seems all wrapped up in her knitting, ..., while the fellow above her is evidently taking lessons, ... Going right, we find Mr. Pengard away from his usual roles, innocently enjoying an ice cream cone, (the villian.) ..... We wonder what the girl with the far away look in her eyes is thinking about, ... Ah me! Anyway, the fellow below has just jumped up from the coaches' bench and pauses in the act of eating peanuts to exclaim, "My word!" .....

Above left, we see two very enthusiastic spectators or are they? ....., ... They say they just can't control their emotions. You can't mistake the pair just above them ....., ... They don't even seem to realize there's a game in progress, or maybe they just don't care. Moving to the right, we run across a tweed overcoat and upon closer examination we discover Batavia's own Shakespearean actor (minus his wig) ..... From the direction of his gaze we gather he's studying up for a part in Romeo and Juliet. The girl in the middle with saucer eyes is in a very unusual pose. ..... Wonder what's happened to the white handkerchief she's usually waving. Must have lost it! Just below is a curly-headed fellow we all know, ..., with the usual cat that just swallowed the canary look.

You surely must recognize the three fellows with the striped shirts, ..., ..., ... huh? Well anyway the pencil in the little fellow's hand is for the purpose of figuring out how much he'll lose if Tonawanda sinks another one. We don't suppose you know the couple below (you wouldn't!) ....., ... They seem to be indulging in a bit of idle gossip while she mutters, "Is that so, tch, tch, tch,!" or words to that effect.

Under the efficient supervision of Mrs. Kraemer the art members assemble for the purpose of promoting art. During the club period they fashion many useful articles such as ash trays and bracelets from hammered brass.

Since the club is smaller this year because of the hobby period, it has been able to sponsor the annual Christmas Sale.

Every Tuesday after school in the lobby may be seen one of the art students selling candy. Proceeds from these candy sales were spent in purchasing the picture, "Crow Indians Moving Camp" by Hunter, which was presented by the President, Eileen Wiggin, to the school.

The art members are greatly indebted to their worthy adviser, Mrs. Kraemer, for their understanding and appreciation of art.

Thirty-seven senior members appreciate and are proud of the honor bestowed upon them in being elected to the National Honor Society. Qualifications for membership to the club are laid down by the National Honor Society and are based upon "scholarship, leadership, character, and service".

Twice each year the newly elected members are formally initiated by the sponsor, Dr. Mytra E. Hunn. In October ten per cent of the upper third of the senior class with the highest scholastic record are chosen and again in March five per cent of the remaining upper third are finally picked by a faculty group of seven teachers.

Before the Senior High School, the organization presented a play, "What Men Live By" as a part of the second semester initiation.

Striving to fulfill the spirit and purpose of the National Honor Society, each member will uphold the "Creed of the Society".

The girls took charge of the G. O. refreshment stand at football games. They sold candy at basketball games and tea dances, as well as in the lobby every Tuesday. The Girls' Service League also had charge of ushering and serving at all school functions.

The club sponsored two dances this year, a Christmas dance and a Spring dance. The proceeds of the Christmas dance which amounted to fifty dollars were given to the "Batavian."

This year the club presented two assemblies for the benefit of the school. The first, a play "A Dish of China Tea" was presented under the direction of Miss Hale and Miss Gentner. For the second assembly, they financed a regular school program, which consisted of a well known football coach, Andy Kerr, as speaker.

One of the greatest tasks which the girls undertook was buying a new false ceiling for the school.

On November 8, before a full house, the annual fall entertainment was presented by the Senior Dramatics. The Club produced "Submerged" and "Elmer" while on the same program the Sophomore Dramatics gave "The Birthday of the Infanta".

For the Christmas play the club presented a touching story under the title of "A Sign Unto You". William Taylor, Ardath Smith, Jane Sennate, Marcella Moynihan, Arthur Gardner and Paul Marone who participated in this production are to be complimented for their splendid acting in bringing forth the theme of the play.

Proceeds, realized from the fall program and a tea dance, were spent to purchase stage furniture, scenery, and properties.

The art of make-up has been a new accomplishment of the members this year under the guidance of Miss Gehring.

Back—W. Borkman, J. Pickert, R. Snyder, H. Taber, H. Hermance.
Front—D. Cultrara, R. Smith, F. Deleo, T. Mancini.

Stage Crew

Due to the capable management of Jerome Pickert and the splendid cooperation of the stage crew, this year has witnessed a successful outcome. With the coming of June a great loss will be felt when the stage manager and his valuable assistants, Robert Smith and Henry Taber, leave Batavia High School. However, the other members have learned the work and are proficient in it.

The stage crew spent many strenuous and arduous hours in the construction of the ship rigging for the ship scene in "Captain Applejack."

Dramatic plays, musical concerts, Batavian pictures, speaking contests, and assembly programs could never be realized without the interested cooperation and capable efforts of the stage manager and stage crew.

This year a birth certificate in the form of a constitution was granted by G. O. to the Sophomore Dramatics Club. The baby was christened "Sophdra Club". The aim of the twenty-five infants, who have dramatic ability or interest, is to develop dramatic thinking and cooperation in a group.

During the hobby period a great deal has been achieved along the lines of back-stage technique and dramatic instruction. They have studied the art of make-up, stage settings, and stage terms and have presented several informal radio plays. "The Birthday of the Infanta" was a formal production given last fall by the club. For an assembly program the sophomores produced scenes from "Miss Somebody Else" and "Two Crooks and A Lady".

The students have shown remarkable progress under the supervision of Miss Glade. They wish loads of good luck to the future members on their second birthday.

They have served in the form of a patrol squad at banquets, concerts, school plays, and various activities to help make the students of B. H. S. proud of their school. The boys have set a goal which they feel the future clubs will be proud to follow.

Choristers

The choristers, under the direction of Mr. Owen, is one of the best known organizations in the school. They are a select group of boys and girls chosen from the various clubs of the music department.

Among the numbers which the group sing are: "The Sea Hath Its Pearls" by Pinsuti; "He's Gone Away" by Clohey; "Vanka 'n' Tanka" arranged by Kibalschich and "A Violin Is Singing in The Street" arranged by Koshetz. The boys and girls also sing as separate groups. The girls' selection is "The Spanish Tambourine Girl" by Schumann, while the boys' choice is "Water Boy" arranged by Pitcher.

This outstanding organization participate in the concerts and help at other school functions as well. This year they also sang at several outside affairs. Among them were: The New York State Parent Teachers convention at Hotel Statler; Western Zone Meeting of New York State Teachers Association; Joint Meeting of Schoolmasters' Club of Genesee, Wyoming and Livingston County at Richmond Hotel; Alumni Meeting of Buffalo State Teachers College at Batavia High School and at Buffalo in a High School Chorus under the direction of Dr. Hollis Dann, a noted American conductor.

Athletics

Golf

In the spring of 1935, a league was formed of the golf teams representing the following schools: Niagara Falls, Lackawanna, Tonawanda, Trott, Kenmore, Amherst, Depew, Lancaster, and East Aurora. They decided to play during both the spring and fall. Batavia joined this league in the fall, with fair results, winning from Tonawanda, Lancaster and Kenmore, and losing to others, except Trott, which withdrew. The matches are played with a four man team, and are rotated: that is, if we play Kenmore there in the spring, they play here in the fall.

The fall team was captained by John Slovick, who was the only experienced player available for the fall team. The squad numbered about ten to twelve boys.

The boys are looking forward to the district interscholastic meet at Niagara Falls, on May 23, and to a resumption of the sport during this spring, when the team will be somewhat stronger, and, we hope, more successful.

The complete spring schedule follows:

May 7—Amherst	here
May 12—East Aurora	there
May 14—Lancaster	here
May 19—Kenmore	there
May 21—Trott	there
May 26—Tonawanda	there
May 28—Niagara Falls	here
June 2—Depew	here
June 4—Lackawanna	there

* Games played away from home

Although winning but one game this season and losing seven, four of which were played on the opponents' gridiron, the grit and determination that the players took on the field with them was marvelous. Even when things looked the darkest the exceptional response of the loyal supporters, many of whom were seen at all of the out of town games, seemed to put new pep and vigor into the team.

Usually playing under either mental or physical handicaps or both, such as playing much more experienced teams or playing on the opponent's gridiron, the team rallied together under the capable leadership of John Netzen and John Cassenti and always gave their best.

However, one of the main objectives of the season came out favorably. Playing host to our newest rival, Kenmore High School, "Ed" Allen leaped high into the air to intercept a Kenmore forward pass and raced 80 yards under perfect interference to score. Then later in the second quarter John Netzen crashed off-tackle and ran 40 yards almost unaided to score again. This concluded the scoring for the day for Batavia, but proved enough to win although Kenmore scored on a fluke with the opening kickoff in the second half.

With many lettermen and capable reserves returning and by virtue of dropping out of the Major Conference to play independent games, Coach Pierson has great expectation for his 1936 B. H. S. football team.

Third Row—Edward Allen, Ralph Williams, James Ramsey, Arthur Gardner, Arthur Gumaer, Richard Smith, Richard Earll.

Second Row—Walter Briggs, Harry Bishop, John Cassenti, Coach Pierson, John Netzen, Jack Roeschlaub, Warren Hawley.

First Row—Joseph Mancuso, Dominic Mancuso, Joseph Costanza, Carlton Webster, George Martin, Jack Rose, John Carver.

Basketball

Although winning but five games, Batavia's varsity basketball team is deserving much credit for the fight and spirit that prevailed during the poorest court season of recent years. With only two lettermen, Laverne Bacon and John Netzen, returning from last year's team that reached the play-offs and confronted with perhaps the most difficult schedule that a Blue and White team has ever faced, the outlook was enough to discourage almost any group of youngsters, most of whom were facing their first season of varsity competition. Ineligibility further crippled the team, leaving Coach Pierson with almost an entirely green team to start the majority of his games.

The offensive was built around little "Eggs" Bacon, the highest scorer of the team for the season and John Netzen, the towering center. The other positions on the team were a constant worry to the coach. First one man would perform brilliantly and then another.

The main objective of the season was reached when the Blue and White defeated Le Roy twice, first on the small court at the village of Le Roy by the score of 40 to 20 and again on their home court by the score of 39 to 26.

Also, on different occasions they displayed the type of basketball that they were capable of playing when they defeated Lackawanna, the leaders of the St Lawrence League at that time and eventually winners of the play-offs. The score after a hard tussle was 22 to 21. One week later when Tonawanda was then tied for first position in the league standings, the fighting Batavia team again hit their stride and defeated by the score of 25 to 21.

This shows that although they ended the season in last position they had the grit and determination to accomplish the impossible and place them on the standard of former B. H. S. basketball teams.

Standing—Coach Pierson, D. Brenman, W. Bentley, W. Hoffman, P. Muoio.
Sitting—E. Allen, J. Ramsay, L. Bacon, J. Netzen, A. Stevens.

Track

Although Coach William C. Winters has one four letterman returning from last year's squad that won four meets out of six, third place in the sectional meet and participated in the zone meet held at Kenmore, the prospects of another good season are bright.

In the 100 yard and 220 yard dashes Batavia will be weak with Jack Roeschlaub, a letterman from last year, the only one with any experience in these events.

As in former years the 440 yard dash seems to be one of Batavia's strongest events. In this there is Wilson Mark, a runner of last year, and Bill Gallagher, an ineligible runner of last year, who showed much promise. Roeschlaub also runs this and is expected to gather a few points for Batavia. In the 880 yard run with Alton Tooley a letterman, and Ray Dustin and other reserves of last year, the competition will be keen for the first position.

As always before, the mile run will be the weak link. Arthur Hessman, whose fastest time last year was 5:15, expects to break that this year.

With John Netzen, Cope-Dowd trophy winner for two years in a row, back again this year, a place in the Low-Hurdles is secure. Edward Allen promises to be a good understudy. In the field events Batavia will be good for many first places, but the seconds and thirds are doubtful.

Batavia is almost sure of first places in the shot put with Netzen, winner in the zone last year in this event, although there are no reserves.

The pole vault is one exception, with three men entered in this event. Clement Conley, a letterman, Ray Dustin and Joe Mancuso make up the trio.

Again the High Jump will fall back into the most capable hands of Netzen and Allen, with Netzen having the edge by a little.

The Broad jump also will see Netzen, who has made 20 feet, along, with Allen and John Carver.

In the final event of each meet, the 880 yard four man relay race, there are three positions left open with only Jack Roeschlaub left from last year's crack relay team.

Girls' Basketball

After a successful series of inter-class games, girls' basketball season came to a close with the Yale-Princeton game. The Yale-Princeton game was inaugurated five years ago, and each year since has taken place at the close of the inter-class games. The two teams are composed of the best players from the four class teams. The game itself is a sure promise of good basketball, good sportsmanship and lots of fun for both participants and spectators. Our wish is that our games in the future may be just as good as those in the past.

Into its sixth year of existence has the Junior Dramatics Club launched. Every other week during "hobby period" the forty members eagerly assemble to learn poise, co-operation and to show the value of good literature and the ability to produce it on the stage.

In the fall, choral readings were given with marked success. "The Purple Cow", "The Raggedy Man", and "Tarantella" were a few of the readings which are delivered in three different tones, light, medium, and dark. For the yearly Christmas play the club presented "While Mortals Sleep" by Marcus Back.

Instead of the usual three-act play, the Junior High voted to have for its annual program three one-act plays.
The club regrets that Mrs. McIntosh has been so ill that she plays had to be postponed.

MISS REGINA E. FOLLETT AS WE KNEW HER

A better and more profitable life could not have been lived than that of the late Regina E. Follett.

Miss Follett lived with the idea that there was more good than bad in the poorest of us, and she did not see much bad in anyone. Consequently, it was not very hard to please her. She was fond of the smallest thing and had a very sunny, sympathetic and understanding nature. Miss Follett possessed a true sterling character.

During her life Miss Follett had many hobbies. She was very thorough in her research of each and gained much knowledge out of each. Among her favorite interests were: stamp collecting, drawing, tennis, gardening, poetry, and nature, her best liked avocation.

Miss Follett was a native of Batavia, having been born and reared here. She received her early education here; and, after college, she returned to Batavia to teach. She taught seventh and eighth year English, and Guidance and did advisory work. In all of her work she showed enthusiasm and sincerity.

She loved children and did as much for the Junior High students as any one could. A more firm, true and sincere friend could not be found anywhere. A a result of this, she was greatly loved by her pupils.

Miss Follett was known for her unbounded unselfishness and her progressive ideas.

By the many little kndnesses Miss Follett did for everyone, she has endeared herself to all. On November 17, 1395, God willed it that the world should no longer benefit by and enjoy her talents.

—Dorothy Woodward.

We are especially grateful to Mr. McJury, Mr. Miller, Mr. Smith, Miss Hunn, Mrs. Kraemer, Mr. Kendall, and Mr. Keegan, the Phile Club and Service League. Stepping Stones

When spaced stepping stones mark the way across a stream, it is best to take each step rather than to leap—and possibly miss.

Applied to a career or a job in the business world this means: High School, then R.B.I., then a position in business. That's better than jumping right for a job and losing out through lack of a drill in business fundamentals and practice.

Make your high school education mean more to you. Top it off with a helpful R.B.I. Day School Course.
